

CHESHIRE TEACHING

SCHOOL HUB

Firstly, I would like to introduce myself. I am Ed Leighton, Director of the newly established Cheshire Teaching School.

Cheshire Teaching School Hub is one of 87 centres of excellence for teacher training and development and the Teaching School Hub will provide high-quality professional development to teachers and leaders at all stages of their careers across Cheshire.

The main roles of the hub are to:

- Deliver ITT
- Deliver the new Early Career Framework
- Undertake the role of the Appropriate Body
- Deliver the newly reformed NPQs
- Signpost schools to CPD across the region
- Deliver bespoke evidence based CPD

We will be working with well-established, high quality delivery partners across Cheshire to roll this out.

Please find below a link to a short video presentation explaining the role of the hub and details about the new Early Career Framework, Appropriate Body and the reformed NPQs.

We are absolutely delighted to have partnered with Best Practice network to deliver both the Early Career Framework and the newly reformed NPQs.

This is a really exciting time in teacher development and we really look forward to working with schools across Cheshire.
